Pre-submission eligibility – Information check form

In order to expedite the eligibility check process, the Ministry of Health will grant an eligibility clearance to the applicants PRIOR to the submission of the pre-proposals. To this end, it is mandatory that the applicants return this 2-page pre-submission eligibility check form (in PDF format), duly completed and signed, to the **National contact person e-mail address** before submitting their pre-proposals to the Joint Call Secretariat through the electronic submission system. The applicants from IRCCS should send this pre-submission eligibility check form also through the Workflow System of the Ministry of Health. It is strongly recommended that the completed and signed form is returned at least 10 working days before the pre-proposal submission deadline **of the call for proposal**. Applicants will be sent subsequently a written notification only in case of their ineligibility.
